MEMORANDUM FOR THE RECORD

Morning Meeting of 10 December 1968

DDCI was in the chair.

DD/I advised that Henry Kissinger asked for and received materials for his use in briefing principal members of the President-elect's entourage.

--	--	--

Godfrey drew attention to a series of warning indications which have been building up concerning enemy activity in III Corps.

D/ONE provided an ONE staff memorandum on Franco-American relations. He felt that the memorandum is an excellent statement on this matter.

DD/S reported that the President's Task Force on International Communications has been focused almost solely on commercial communications with little or no direct effect on Government communications.

Carver advised that it would not appear useful to extract the portions of [] on the capabilities of the ARVN for distribution to the community. He suggested that the matter of the ARVN be part of a broader report which can be made and distributed at a later date.

DD/P reported that our new High Commissioner to the Ryukyu Islands will be here this afternoon for a briefing.
